Job Title: **Fire Test**

Material Received: 15 April 2009

Description of Sample: One sample of fabric, referenced: **Polymar 8596**.

Brief: Fire Technology Services were requested to carry out a fire test on the sample supplied to BS7837.

UKAS Accreditation: Our Laboratories are UKAS accredited. However, it should be noted that tests marked * are not UKAS accredited in this report. They are not included in the UKAS Accreditation Schedule for our laboratory, either due to the work not conforming fully to the standard (e.g. reduced number of specimens) or to it being outside the scope of our accreditation, or subcontracted.

Uncertainty: An estimation of uncertainty of measurement has not been taken into account when making a judgement to any pass/fail criteria.
